
Bar Exam Review: Complementary Model-Based Systems Engineering of Law - Graphical Alternative to the 1000 Year Old Orthodoxy of Prose-B

By Eric D Smith Jd Phd

Outskirts Press, United States, 2014. Paperback. Book Condition: New. 297 x 210 mm. Language: English Brand New Book ***** Print on Demand *****.Learn the Law Graphically! Learn the simple techniques that summarize the black letter law in every legal subject! Easily determine and remember the key words that you must know in order to accurately answer MBE questions and essay questions on the Bar Examination! See the diagrams that resolve recurring ambiguities in prose-based descriptions of the law! The great truth of the Bar Examination is that, on stepping within the examination hall, either you know the law, or you don t. There is no longer any chance to sit calmly, recall the law, contemplate the law, trace the logic of the law, or innovatively combine its different elements. During a Bar Exam, one is principally reacting from concepts that are now in-built as part of one s own being. There is no time to recall prosaic outlines on every legal subject. Enticed to study the law as a non-traditional correspondence student, Eric D. Smith perceived the difficulties in learning the law using conventional summaries. Being outside the traditional law school environment, he did not adopt the outline-based approach, but...
