

German Technical Schools (Classic Reprint)

By Victor C Alderson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from German Technical Schools To what extent is the commercial and industrial success of a nation dependent upon technical education? In these days of sharp competition, of small margins, of rapid distribution of commodities, when our antipodes of yesterday are our neighbors of to-day, when the entire world is the market for the manufacturer, what emphasis is to be given to technical training? These are formidable questions. The nation which answers them successfully will gain industrial supremacy. Other elements, as wages, co-operation, labor unions, tariff and taxation, certainly enter as influential factors; but not one of them has such transcendent importance as that training of the individual which enables him to produce the most in the least time, at the smallest cost and in the most artistic manner. That Germany believes in technical education is attested by the large number of technical schools of all grades within her borders and the enormous sums of money which she has spent upon them. The highest type of these schools is designated as a Technische Hochschule, but is not...
