Mittal Publications, New Delhi, 2005. N.A. Book Condition: New. The concept of Global Government to bring in abiding peace and tranquillity in the world has been cherished by several sages and writers who have dreamt of a world without wars, famines and pestilence, poverty, fear of terrorism, greed for power and all such evils that divide mankind teeming with inimical thoughts and activities. The book deals even with the minute aspects of a global rule with different ruling systems; a global judiciary for righteousness and justice; a global military for a disciplined rule; a global education to fill the whole world with knowledge and wisdom; a system of worship in truth and in spirit based on the only and pure religion; the application of Superscience for first-rate agriculture and farming and flourishing industries; efficient transportation and travel facilities; excellent constructions and travel facilities; excellent constructions and buildings in hundreds of storeys that remain for many centuries and a multiplicity of other well-arranged programmes and projects to foster and promote peace and prosperity on the whole...
