By Mathew Varghese

Sanctum Books, 2012. Hardcover. Book Condition: New. 23 cms. 413pp. Nagarjuna is one of the finest philosophers who were ever lived. This second century Buddhist philosopher from south India is known for his criticism on speculative theories and viewpoints. But his name is better known for introducing the idea of emptiness (sunyata), a philosophical concept that had hugely influenced the discourses of Eastern philosophy, religion, and culture for about 2000 years. Nagarjuna cleverly introduced emptiness (sunyata), into Buddhist discourses to explain his central philosophy: the philosophy of Middle Path. Through the negative mode of argumentation, he taught how we naturally get trapped into extreme viewpoints and speculate on them. His philosophy of Middle Path (Madhyamika) explains the progress of human reasoning moving in its natural course avoiding extreme viewpoints for finding harmony and freedom. During the second century, in a different milieu, Nagarjuna warned his students about the dangers of speculative thought created out of extreme viewpoints and philosophical doctrines. He taught them to look into the structures of such doctrines critically by using negation to know what the truth is. Therefore, the philosophical idea of emptiness (sunyata) is not the end of negation assuming perfect nihilism, but teaching us...

### Reviews

*Very beneficial for all type of folks. It can be really intriguing through studying time. You will like how the writer publishes this ebook.*
