

EU Cohesion Policy in Practice: What Does it Achieve?

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Rowman Littlefield International, United Kingdom, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. EU Cohesion policy, along with support for agriculture and rural development, is one of the main items of EU spending. As such, the performance of the policy has come under increasing scrutiny. Perhaps surprisingly, however, past attempts to assess the effectiveness of the EU s have proved to be highly ambivalent. This book examines the long-term achievements of Cohesion policy from 1989 to 2012 and draws out the main policy implications. Originally undertaken for the European Commission by the authors, this major longitudinal study adopts an innovative approach to assessing the effectiveness and achievements of this policy, building on case studies of 15 regions from different parts of Europe. The rationale for the book is to present the findings of the research in a concise and digestible manner that will be of value to policy-makers across the EU and to academics interested in the past effectiveness and future direction of the policy. The research brings out messages for the conduct of Cohesion policy in the current programme period, covering 2014-2020. It also has implications for the debates, already launched, on how Cohesion policy might evolve after 2020.
