Not illustrated. 1920 Excerpt: . gentlemen named above were, appointed as a committee on General Biology to organize and administer a course that should meet the Lower Division requirement in biology. A preliminary outline of lectures and laboratory work was prepared by Professor Burlingame. Dr. Arthur Gibson Vestal, formerly of the Illinois State-Normal School and the University of Colorado, was appointed acting assistant professor and assigned the. task of organizing and conducting the laboratory part of the course: Assistants in Instruction Olcnus Lee Sponsler and ulna Elizabeth Perry were assigned to aid him in his duty. The following individuals, in addition to the committee, were asked to take part in the work of instruction, and without exception gave freely of their time and energy. It is a pleasure to place on record here the statement that in large measure, the success of the course has been due to the hearty...
