## A BRIEF HISTORY OF MEDIEVAL WARFARE: THE RISE AND FALL OF ENGLISH SUPREMACY AT A

Robinson. 1 Paperback(s), 2008. soft. Book Condition: New. From 1314 to 1485, England fought an almost continuous war with its neighbors, a period that saw the unprecedented supremacy of the English armies over those of Scotland and France. The former director of the Royal Armoured Corps, Peter Reid argues here that the key to England's success lay in expert, well-financed preparations and a long-view approach to battle. Reid layers his persuasive analysis with a dramatic telling of the main events on land and sea, from the terrible defeat at Bannockburn to the point when Henry VI was crowned in Paris, and England's eventual slide into the bloody internal strife of the War of the Roses. 561.
