Reviews

This written publication is fantastic. This can be for anyone who statte that there had not been a well worth reading through. I realized this pdf from my i and dad recommended this publication to discover.

(Maye Schoen)

THE SLEEPING DOLL A NOVEL KATHRYN DANCE, NO 1

Pocket Star. Paperback. Book Condition: New. Mass Market Paperback. 608 pages. Dimensions: 7.5in. x 4.2in. x 1.5in. When Special Agent Kathryn Dance -- a brilliant interrogator and kinesics expert with the California Bureau of Investigation -- is sent to question the convicted killer Daniel Son of Manson Pell as a suspect in a newly unearthed crime, she feels both trepidation and electrifying intrigue. Pell is serving a life sentence for the brutal murders of the wealthy Croyton family in Carmel years earlier -- a crime mirroring those perpetrated by Charles Manson in the 1960s. But Pell and his cult members were sloppy: Not only were they apprehended, they even left behind a survivor -- the youngest of the Croyton daughters, who, because she was in bed hidden by her toys that terrible night, was dubbed the Sleeping Doll. But the girl never spoke about that night, nor did the crimes mastermind. Indeed, Pell has long been both reticent and unrepentant about the crime. And so with the murderer transported from the Capitola superprison to an interrogation room in the Monterey County Courthouse, Dance sees an opportunity to pry a confession from him for the recent murder -- and to learn more about the depraved mind of this career criminal who considers himself a master of control, a dark Svengali, forcing people to do what they otherwise would never conceive of doing. In an electrifying psychological jousting match, Dance calls up all her skills as an interrogator and kinesics -- body language -- expert to get to the truth behind Daniel Pell. But when Dances plan goes terribly wrong and Pell escapes, leaving behind a trail of dead and injured, she finds herself in charge of her first-ever manhunt. But far from simply fleeing, Pell turns on his pursuers -- and other...
