She can heal with just the touch of her hands. For five years they kept her hidden away while they studied her. And then two brave Marines helped her escape and smuggled her out of the country. When some of the children of the Wind River Pack become ill, Zack remembers the young girl and her unique abilities. He goes to South America to find her and bring her back so she can help. He doesn't expect to find she's his mate. Now, they're racing against the clock to get her back to the States before it's too late for the children. But Zack isn't the only one searching for her. What happens when the scientist that held her prisoner for all those years finds them? \*\* A Siren Erotic Romance.
