### **Reviews**

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Menu Book: Practical Gastronomy, a Menu Compiler, and Register, of Dishes The ever-growing necessity for variety in our menus impels us to glean new ideas and fresh help from every possible source. The object, therefore, of this culinary handbook is in the first place to assist caterers, restaurateurs, managers, maitres d hotel, chefs, stewards, head waiters, and housekeepers to plan and compile menus of every kind of meal with greater ease, and to enable them to have at their disposal a large and constant variety of seasonable and suitable dishes. Every course, from hors-d uvre to dessert, has been exhaustively treated; and the work is compiled so as to give at a glance an almost infinite variety of every possible kind of dish that can be introduced into a menu. In most cases the requisite mode of cooking, the garniture and style of dressing or dishing up, is briefly described. The book should not, however, be confused with a book of recipes, for its raison d etre is to enable those who can cook or superintend cooking to draft menus with greater ease, and to give each dish its proper French name. The adoption of French names in menus has become fashionable because most of the typical French dishes have become fully naturalised in the kitchens and on the tables of this country. It therefore becomes the duty of all persons interested in culinary matters to know how to describe them in correct French. The author can hardly expect that this book will bring about a revolution in the customs of gastronomy, but he does hope that its use will be the means of...
