Romantics

By William Driscoll

Terracom Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In *Romantics*, a collection of more structured work, William Driscoll turns his narrative ability to the creation of poetry based on older forms and traditions. From the first poem, a quasi Italian sonnet sequence with ever-increasing lines to swell each stanza to its conclusion, to a ballad in pigeon Middle English, to a song based on the rhythms and music of a Mozart Mass, we again see the poet's restless search for new forms and boundaries designed to push the language to its limits. Along with cited nods to some of the great poets of the past, Ovid, Petrarch, Spenser, Chaucer, Scott and Longfellow, the seven poems presented here take the reader on a romantic journey into timeworn fields filled with artists, lovers, sages and fools.
