Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.While certain political leaders are feverishly working to fundamentally transform America, leaders of the non-denominational missionary organization, Adventures in Missions (AIM), are training thousands of young adults to be radical revolutionaries fighting for social justice in an effort to change the world. Not only are they turning young peoples minds against the evils of capitalism, leaders of AIM are mocking the Western concept of God and indoctrinating them into Eastern mysticism and the dark world of the occult. This is being done for the expressed purpose of fulfilling the Great Commission and ushering in God s kingdom on earth. Missions, Mysticism Magic is a concise, eye-opening analysis revealing: *Why young adults are being told they are becoming God with skin on and must acquire all the powers Jesus had. *Why the practice of listening prayer and exalting the imagination creates deception. *A deeper meaning of Magic, alchemy and transformation. *How combining concepts from the New Age/Emergent movement, and various Pentecostal/Charismatic streams has created a most deceptive spiritual force for change. *Who the 42nd generation is and why they are between Jesus and Christ. *The connection of occult numerology to the World Race, a mission trip consisting of traveling to 11 countries in 11 months, and more. Sadly, like AIM, countless other missionary organizations and churches are embracing similar esoteric beliefs and practices. Occultism wraps itself up in Christian terminology, appeals to pride, and offers a false sense of hope, love, and unity. For this reason, Missions, Mysticism Magic is an invaluable resource. It is also a fervent call for all Christians to test everything, as the Bereans did, against the firm foundation of Scripture (Acts 17:11).
