50 Classic Backcountry Ski and Snowboard Summits in California

By Paul Richins Jr.

Mountaineers Books. Paperback. Book Condition: New. Paperback. 239 pages. Dimensions: 8.8in. x 5.9in. x 0.7in. 50 Classic Backcountry Ski and Snowboard Summits in California offers some of the finest ski and snowboard descents in California, ranging over a 550-mile span from the Cascade Range in the north to the Sierra Nevada in the south. Grouped into nine geographical regions, these summits represent the best of the best—from well-known destinations to more remote areas to a sampling of the highest peaks. Historical anecdotes about each region round out the guide for an entertaining and informative read. Trips range from a half day to seven days, and while all can be completed on either snowboard or skis, the author makes specific recommendations for the best snowboard descents. Each trip description includes a complete narrative of the ascent and descent plus information on trip highlights, trip duration, level of difficulty, mileage, elevation gain, and access. The appendix includes a list of California's highest peaks. This is the most complete information available in one volume, featuring the widest selection of premier ski mountaineering and snowboard routes in California. With 70 b and w photos and 60 maps. This item ships from multiple locations. Your book...
