Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Pearson Education, 2007. Softcover. Book Condition: New. 5th or later edition. Marketing: An Introduction, 7e, helps students master modern marketing principles and practices. Written by today`s best-selling marketing author team, this paperback text has a manageable 16 chapter organization and builds on the unprecedented success of its sixth edition by placing customer value in the driver`s seat. An organizing customer value framework introduced in the first chapter sets the stage. All new video cases, new presentation resources, a new Driver`s Manual student study guide, and OneKey all-in-one website for students and instructors are just a few reasons why this is the most contemporary marketing textbook Printed Pages: 714.
