Ponto Alto Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Did you know that over 50 of mortgages don t close? Do you know how much home you can buy? Do you know how much paperwork in involved? Most people don t know how much home purchasing power they have, how much to expect for closing costs (varies by state), or how much paperwork is involved when applying for a home loan. Most people have no idea the difference between loan programs from bank to bank, lender to lender, or broker to broker- or what the differences are between the main types of residential mortgage providers. Most people have no criteria for choosing a lender, the type of loan to seek, or how much down payment is best for them. For example, are there differences between the types of property that may affect down payment? The mortgage industry is packed with nuance, which can lead to confusion for the consumer. While trying to buy a home, you may have people from many different professions telling you what you should do and how to make decisions-who should you listen to in which situations? Your most personal financial information is critical to the mortgage process and yet do you know who you are sending it to? What about mortgage insurance? Why is it required and when? The two questions I most often hear are: What s the payment? and, What s the interest rate? While these questions are important, there are several other questions that are just as critical: what is the right loan type for me; is there an up-front funding fee for this loan; what are the differences in available mortgage insurance; how will property type...
